ACTIVITIES TO ADDRESS THE DIFFERENTIAL STUDENT NEEDS

To address the student diversity, various programs are organised by the college. Students with diverse needs are identified during the initial stages. Different categories of students with various needs are addressed through various activities.

Sl. No	Type of Activities	Implementation of the Activities
1	Entry level Primary Perspective Test (PPT) .	Entry level Primary Perspective Test (PPT) is administered to understand the scholastic background of students and to identify their learning needs. This test help the teachers to assess their readiness and attitude to undergo the professional education programme. This helps to assure their interest in taking up the programme.
2	Socio-Economic Status Profile	At the time of admission, the student teachers are required to submit their student profile in which the socio-economic status of the student is assessed by the institution. Necessary assistance including financial as well as personal counselling are provided for those who need it.
3	Self-Introduction	All the student teachers are required to present a brief introduction about themselves during the initial phase of the course. The activity helps to explore their presentation skill and stage presence as a teacher.
4	Resource Talks by eminent Professors and subject expert	Resource Talks by eminent Professors and subject experts in the field of education and their experience sharing are really motivating for the student teachers. It helps them to be in the right path of becoming promising teachers. Their area of improvement are identified and appropriate remedial actions and skill training are imparted timely
5.	Class PTA	Class PTA conducted during the initial phase of class enable the teachers to interact with parents and students. The parental interaction along with students helps the teacher to collect necessary personal information and to render any assistance if the require in future.

Sl. No	Type of Activities	Implementation of the Activities
6	Content Knowledge Analysis	As part of the subject competence in specific area, the student teachers are assigned to analyse the contents in optional subjects to be taught the-high school or higher secondary level. It is a preliminary entry test in relation to the academic aspects and those students who experience difficulties in the same are given additional support through group discussion and peer teaching methods.
7	Talent Hunt	At the beginning of the academic year, the budding teachers are required to organize a talent day, where they are free to express their innate talents and capacities of any form. It is situation analysis test for the prospective teachers to express themselves without any inhibition. The programme is organized under the guidance of mentor teachers and hence any kind of inhibitions, experienced by students are properly taken care of by the respective

Date : 10th November 2022

Circular

We would like to bring to your attention that we had planned to conduct an entry level written perspective test named Preliminary Perspective Test (PPT) for the academic year 2022-23 on 12th November 2022, Saturday. Inform the B.Ed. first year students and make necessary arrangements. All academic staff members must be present for the above for the smooth conduct of the test.

Your cooperation is highly solicited for the smooth conduct of this Entry level academic exercise.

Yours faithfully

Dr.S.Premkumar

POST PRELIMINARY PERSPECTIVE TEST (PPT) REPORT 2022

Name of the Program: Preliminary Perspective Test (PPT)

Faculty member in charge: Dr. Renjini U., IQAC coordinator

Date : 12th November 2022

Objective: To check the reediness of the student teachers of B.Ed. first year students to under go a professional course in Teacher education.

Outcome: To assess the preparedness of the student teachers of B.Ed. first year students to under go a professional course in Teacher education.

Report of the program

As part of the curriculum and entry level perspective test named Preliminary Perspective Test (PPT) was conducted to check the reediness of the student teachers of B.Ed. first year students to undergo a professional course in Teacher education on 12th November 2022, Saturday. Newly admitted 55 student teachers of 2022-23 batch attended the test. The questions of the written test contains four different sections as General English Comprehension, Teaching and Learning, Logical and Analytical Reasoning and General Awareness.

The test provided and helped the academic staff members to measure and assess the assess the preparedness of the student teachers of B.Ed. first year students to undergo a professional course in Teacher education. After evaluating the entry level perspective test, named Preliminary Perspective Test (PPT) it has been suggested to conduct a Bridge course and Resource Talks by eminent Professors and subject experts in the field of education and their experience sharing are really motivating for the student teachers. It helps them to be in the right path of becoming promising teachers. Their area of improvement is identified and appropriate remedial actions and skill training are imparted timely. The Preliminary Perspective Test (PPT) was conducted with the support of the Principal, academic staff members. non-teaching staffs and student teachers. Thus the Preliminary Perspective Test (PPT) serves as roadmap and a valuable device for the upcoming activities
