KOTTUKAL K. DAMODARAN PILLAI
FOUNDER, P.T.M. GROUP OF
INSTITUTIONS

The Indian education system is a blend of tradition and modernization, grappling with challenges while evolving to meet the demands of a rapidly changing world as well as it stands as a combination of diverse learning methodologies, mirroring the country's rich cultural heritage. One of its pillars is the prevalence of a competitive environment, fostering academic rigor. In this context, the rationale behind convening an international summit with the theme **"SKILL- BASED TEACHER EDUCATION AND EYNE ON EDUCATIONAL METHODOLOGIES IN NEP 2020 (STEEM 2024)"** is underscored by the pressing need for concerted, evidence-based, and innovative efforts to address the complex and interrelated teaching-learning challenges confronting our nation as well as in the Global Scenario.
