REPORT OF ORIENTATION ABOUT SCHOOL INTERNSHIP PROGRAMME GIVEN TO STUDENT TEACHERS

The institution makes effective practices in planning and performing the Internship Program, which is the essence of the Teacher Education Program. Details regarding, the internship were given to the school Principals and Teachers which becomes a good direction for them about the modifications in the curriculum. Sri. Kiran Lal, Assistant Professor in Social Science, was in charge of the internship program. Student teachers were also given orientation at the college for dealing with classes and performing school-based practical and ways of assessment. They were also instructed on the significance of using modern instructional strategies to be an effective, proficient and expert teacher. Student teachers were also informed about their connection with the mentor teacher at school and how to establish a bond of professionalism and cognitivism. They were also told to observe teachers classes and learn different ways of teaching. Students were also given an idea about how to do assessments of their students, evaluate each other's work and to evaluate oneself. Ways of how student teachers were evaluated by school teacher, principal, college principal and teacher educator is also fully conveyed. They become a part of the school in giving mid-day meals to children, and other activities conducting programs including arts and sports.
