1.	Preliminary Perspective Test and Aksharadeepam	Before the Induction Program, a preliminary Perspective Test will be conducted and after that the trainees and their parents attend a ceremony beginning at the college with a prayer that gives out the message of universal brotherhood. By lighting the lamp, we are eliminating the darkness of ignorance and an oath will take that gives them an opportunity to acquaint with the school environment and its day-to- day functioning, and to see the learning facilities in the school.
2.	School Induction Programme	Acquaintance with an actual school setting helps every trainee stay abreast of the latest trends and practices in teaching, learning, class management etc.
3.	Morning Assembly	This includes Prayer, Pledge, News headlines, Quote of the day, National anthem, etc as in the case of school.
4.	Content Analysis	Analysis of Secondary school textbooks prevailing currently at the schools are being analyzed systematically and scientifically.
5.	Familiarizing the curriculum of different Boards- State level, CBSE, ICSE	As the curriculum envisaged the student teachers are made aware of different boards prevailing in our country, and critically analyze them.

6.	Transaction of a comparative perspective of education worldwide	A comparative perspective of education worldwide, based on the school systems in Japan, the USA, the UK, Finland and Canada, with special to secondary curriculum approaches, transactional strategies and learning outcomes, specific to one's chosen specialization, are also transacted to the students effectively.
7.	General etiquette and Value inculcation.	Based on the socio-cultural norms and traditions, the whole teaching-learning process aims at acculturation and man-making.
8.	Participation in various activities in the practice teaching schools during School Internship	During School Internship, besides classroom teaching, the student teachers actively participate in various activities in the practice teaching schools like mentoring, time-table preparation, student practice teaching counselling, assessment of student learning through home assignments and tests, organizing academic and cultural events and schools during maintaining documents. This prepares them well to be familiarized with the diversity in school system, as they undergo practice teaching in different schools during the third and fourth semesters.
9.	PTM Fest	This is an annual Talent Hunt Program for teacher trainees, where there are platforms for Arts, Dance, Literary, drawing and painting and Sports, where the students can showcase their innate talents.
10	Activities during the school internship	Conscientization conducted by individual trainees on various social and educational issues and aspects.
