REPORT OF THE OUTREACH ACTIVITIES

1. Institutional Visit

On **August 23, 2024**, a delegation consisting of the IQAC Co-ordinator and five members of the teaching faculty from **PTM College, Maruthoorkonam** visited **N.V.K.S.D. College of Education**. The visit aimed to foster academic collaboration and gather insights into the college's practices and facilities. The delegation explored the infrastructural facilities of N.V.K.S.D. College, including classrooms, laboratories, library, and other essential amenities. This exploration aimed to understand the college's resources and infrastructure setup, which could serve as a model or provide ideas for PTM College. The PTM team collected valuable information regarding the submission of the Self Appraisal Report. This included insights into the procedures, documentation, and best practices followed by N.V.K.S.D. College in preparing and submitting their report.

2. Independence Day Celebration

As part of the **Independence Day** celebrations, **PTM College of Education**, in collaboration with **Santhigram**, organized a series of competitions and cultural events on **August 15, 2024**. The events were held in the college auditorium and featured a prize distribution ceremony and

various cultural performances. The competitions aimed to engage students creatively and intellectually, celebrating the spirit of independence through various forms of expression. The prize distribution ceremony was held in the college auditorium to honor the winners of the competitions. Certificates and prizes were awarded to students who demonstrated exceptional talent and creativity in their respective events.

3. Dr C.P Sreekandan Nair Memorial Lecture

The **3rd Memorial Lecture** of the esteemed educationist **Dr. C.P. Sreekandan Nair**, former Academic Director and Principal of Farook Training College, was held on **August 10, 2024**, at the **A-V Auditorium** of PTM College of Education. The event was attended by prominent educationists from across Kerala, along with Dr. Nair's students and family members. The memorial was an informative experience

for the new generation of educators and students. It provided insights into Dr. Sreekandan Nair's educational principles and practices, serving as an inspiration for those pursuing careers in education.

4. Reading week Celebration.

As part of the **Reading Week** celebrations, the **Language Club** of PTM College of Education organized a **Reading Competition** on **June 24, 2024**. The event was aimed at promoting reading habits among students and enhancing their literary skills. The competition involved students from **G.V.H.S.S Kottukal** and **PTM HS**.

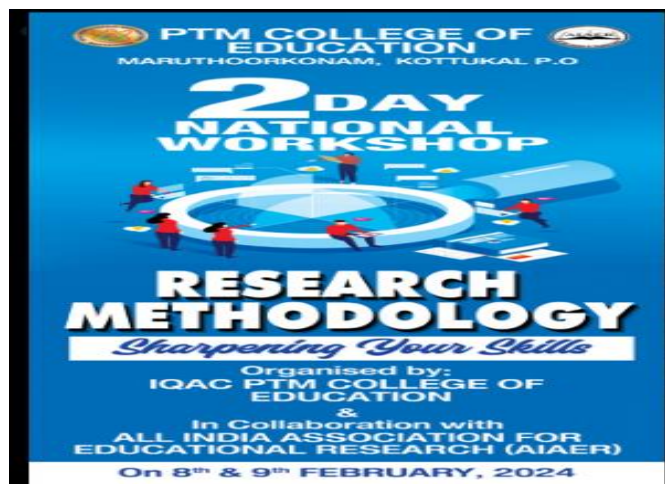

5. STEEM 2024 (International Seminar)

The three-day educational summit, held from May 8th to May 10th, 2024, was a comprehensive event focusing on the theme of improving the quality of education at all levels, with a particular emphasis on the National Education Policy (NEP) 2020. The summit, hosted by P.T.M. College of Education in collaboration with higher education council, brought together educators, policymakers, and scholars from various regions and backgrounds to discuss, present, and explore innovative pedagogical approaches and the future of education in India.

5. NATIONAL WORKSHOP

The IQAC (Internal Quality Assurance Cell) of PTM College of Education organized a two-day national workshop on "Research Methodology: Sharpening Your Skills" in collaboration with the All India Association for Educational Research on February 8th and 9th, 2024. The workshop aimed to enhance participants' research skills through insightful discussions, interactive sessions, and hands-on activities led by experts in the field.

6. Republic Day Quiz Competition

As part of the republic day a quiz competition was organised for the school students by the social science department students. It was an informative session with a good competition from the part of the all participants. The programme was inaugurated by our principal. The anchoring and the quiz masters were our B.Ed students.

7. SATHWANAM (Helping hands)

As part of the union activities the union member jointly took effort to raise Rs 7000 to get a house electrified. All the B.Ed students, teachers and management of P.T.M College of Education jointly contributed and made it a successful initiative.

Outreach Activities Academic Year 2022-23

1. GYANOLSAV 2023- CELEBRATING EDUCATIONAL EXCELLENCE

In a bid to revolutionize the education sector in Kerala in accordance with the new National Education Policy, P.T.M. College of Education participated in the Education Conclave **Gyanotsavam 2023** held at the Central University of Kerala, Periya, Kerala from 6th to 8th July 2023. The three-day event, scheduled witnessed the presence of esteemed dignitaries including Governor Arif Mohammed Khan and Minister of State for Education Annpurna Devi. Aimed at promoting a self-reliant India through education, the program is being organized by the Department of Education and Vidyabhyasa Vikasa Kendram.

The highlight of Gyanotsavam is the exhibition and discussion of innovative educational ideas. Approximately fifty selected schools, teacher training institutes, and higher education institutions participated and showcased their successfully implemented models in five key areas: holistic development of students, environmental activism, Indian knowledge system and language, vocational skills, and comprehensive evaluation. P.T.M.College of Education also showcased its holistic development by putting a stall of various educational activities and got an excellent appreciation from all the dignitaries and distinguished guests including AICTE Vice Chairman Dr. Abhay Jere, UGC Joint Secretary Dr. Rajesh Kumar Verma, NIT Kozhikode Director Prof. Prasad Krishna, Guru Ghasidas Vishwavidyalaya Vice Chancellor Prof. Alok Kumar Chakrawal, Gujarat Sahitya Academy

Registrar Dr. Jayendrasingh Jadav, Cochin Shipyard Chairman Madhu S Nair, Kerala University of Health Sciences Vice Chancellor Mohanan Kunnummal, Santhosh George Kulangara participated in the event. The management representative, teaching staff, student teachers and alumni members of P.T.M College of Education participated in that mega event and it was an excellent experience to the prospective teachers.

2. VIGYANAMRITHU:

A Science Fest conducted by the combined contributions of PTM College of Education and PTM Institute of Teacher Education on Science week of the year 2023. It was inaugurated by the Panchayath President of Kottukal Panchayath on 01/03/2023. It was open to all science enthusiasts till 03/03/2023. The College also invited students from many schools to attend this

programme. The College provided transport and other facilities for the students who were invited. The B Ed students and D.El. Ed students were given different roles to fulfil. Many committees were formed to make the programme a success. One of the main attractions of the Science fest were the exhibition conducted by the B Ed and D. El. Ed students showcasing their teaching aids to the general public and to the school students. Many stalls were opened and that showed many exhibition items that range in different subjects. Even though it was a Science fest many cultural and ethnic models and exhibitions were made.

3. Food donation and blood donation conducted as a part of LIBERTE December 21, 2022 & 22 December 2022

On December 21, 2022, the LIBERTÉ Subject Association of the Department of Social Science conducted a significant humanitarian event as part of its outreach initiatives. There is a presentation on Human Rights Day and its history. The human rights pledge was taken by all the students. A skit on Human Rights was also performed by Department of Social science. On 22nd December 2022, the program was also focused on food donation and blood donation, aimed at contributing to the well-being of the community, particularly to those in need of medical support. **The blood donation** drive was organized at the Blood Bank in Thiruvananthapuram Medical College. A group of students, staff, and volunteers actively participated in this noble cause. The donated blood will be utilized for patients in need of urgent transfusions, particularly those undergoing treatments like surgery, cancer therapy, and trauma

care. **The food donation** drive was held at the Thiruvananthapuram Medical College Hospital. The initiative focused on providing nutritious meals to patients and their caregivers, many of whom come from economically disadvantaged backgrounds and struggle to access adequate food during their hospital stay. The collective efforts of the students and faculty members contributed to making a positive impact on the community, particularly in aiding those in need of both medical and nutritional support. The program also fostered a sense of social responsibility and compassion among the students involved.

4. Career Guidance Program

A career guidance programme was conducted by our B.Ed students on 8 January 2024, Government HS, Kandala among high school students. The objective of the programme is to provide Comprehensive Information: Offer students

detailed insights into various career paths, educational qualifications required, job opportunities, and the examinations necessary to enter different sectors. Enhance Employability Skills to equip students with the knowledge and skills essential for enhancing their employability in the future. Foster Goal-Setting and Planning: Encourage students to set realistic career goals and develop plans to achieve them.
